

Mentor's Mission Statement

Working Together To Create A Better Community And A Better Way Of Life!

1. To live honorably, Love wholeheartedly, and lead by example in order to better ourselves and become great mentors.
2. To make a positive imprint on everyone we encounter throughout our lives, by conducting ourselves in a positive and up-lifting manner.
3. To help others regardless of their age, race, religious background or beliefs, in order for them to gain growth in all aspects of their being.
4. To empower others to recognize their individual Self-Worth by taking a direct personal interest in people and their success while providing assistance in the development of "Positive Change" that reflects in how each person views himself / herself.
5. To help people identify and overcome the fears that can hold them back by expanding on kindness while breaking through the barriers of hatred and anger.
6. To be a fountain of Knowledge by sharing our life experiences to enrich others.
7. To prepare people to reenter society and be very productive members of that society upon their release.
